## Extended Warranty Program

**Series:** EWBT2018  
**USD Price:** Contact XOS

### Protect Your Investment & Get Peace of Mind

For organizations who want the ultimate protection, XOS offers an extended warranty program to reduce the risk of production downtime and take the hassle out of instrument maintenance. You've got a lot on your plate, let your XOS service technician handle it for you. Extend your warranty to protect your investment, and most importantly: Get Peace of Mind.

#### What to Expect:

- Eliminate unexpected repair costs
- 100% parts & labor coverage for all repairs
- Genuine XOS factory certified parts
- Service visits included as necessary

The Extended Warranty Program will give you the same factory warranty for a longer period of time. Customers can purchase a one or multi-year extended warranty at the time of instrument purchase, or while the product is still under the standard factory warranty. This program is available with the purchase of Preventive Maintenance PLUS.
